All Travel Outside of United States requires a VALID Passport Book (NOT Card)

We at **Trips R Us** want to do everything possible to make sure our clients have a memorable experience. To assure this, we must have the appropriate **staff to client ratio (MINIMUM 1:8)** to meet everyone's needs. Staff ratios are approximations and may vary accordingly to the needs and levels of the clients (as a whole.) - A client, who registers for a fast-paced trip, who should actually join a slower-paced trip, runs the risk of being canceled prior to departure trip or sent home early at his or her own expense with no refund. Many fast-paced trips require many hours of walking (at times) and clients should be able to walk comfortably at the pace of the group.

- Due to the inability to **SAFELY** and properly store adaptive equipment (e.g. wheelchair, walker w/seat) in 15-passenger vans; we are no longer able to accommodate individuals, who require the aid/use of adaptive equipment. We are terribly sorry about this, but as always, our main concern is the safety of our travelers traveling with us. Currently, we do not have a wheelchair accessible van and would have to place the wheelchairs and walkers in the aisle/opening of the double doors in our van. We are unable to place anything in this area; as this is the only means for an exit/emergency exit for people traveling in the van. We apologize for any inconvenience and would be more than willing to discuss any alternatives you may suggest.
- Please know that **Trips R Us** reserves the right to **cancel a trip** due to lack of minimum enrollment. We will keep you updated on enrollment for trip; if there is a chance it will not run. We will give you as much notice as possible if a trip must be canceled and you will receive a complete refund, keep it as credit, or use it towards a different trip. **Activities and Prices are subject to change** due to any unforeseen circumstances that might cause a significant increase in price (i.e. gas, luggage fees, airline tickets.)
